

# JAMES EVANOW

speaker and author

**Wisdom From the Sea can only be obtained through experience, or through powerful stories by a master storyteller.**

Being stuck in thirty-foot seas gives you wisdom and perspective that most will never see. Surviving life and death situations at sea will teach you perseverance and empowerment skills.

James Evanow is an engaging speaker and dynamic storyteller who teaches Emotional Intelligence, Leadership and Integrity. He spent 24 years in the maritime business as a captain, with another 13 years in finance and professional speaking. He knows what it takes to get through stormy situations. James uses his experiences at sea to teach people how to deal with life changes and challenges—when it is essential to remain calm, focused, and communicate with clarity.

James teaches effective techniques that will enhance leadership skills and inspire increased productivity, while enhancing company culture.

## PRESENTATION TOPICS

### Leading From The Edge

In James' most popular keynote he uses the story of how Ernest Shackleton led his men through a grueling situation of life and death to portray how perseverance and emotional intelligence are essential leadership skills, and how teamwork is vital to any organization.

*"I have been fortunate to listen to many speakers and in all honesty, all of the years I have been coming to this organization, James' presentation was definitely the most interesting presentation in the nine years I have been coming here."* **John Blum – Life Coach, Trainer**

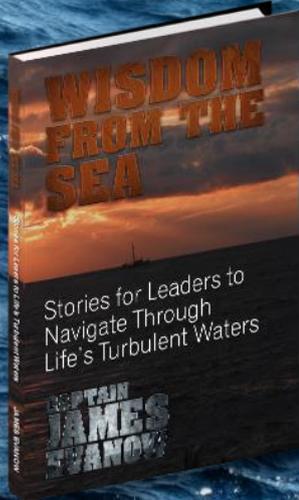

### Chart Your Course: Adversity in the Work Place

In this presentation, the audience will learn techniques to manage their emotions when dealing with unexpected and adverse conditions in the workplace.

### Heartfelt Intelligence

James inspires the audience by sharing many examples of how great leaders use another aspect of Emotional Intelligence to defy the odds when overcoming adversity.

*"James has added great value to our organization, great value to the communities of Kings County, we are definitely blessed to have James in our presence and we look forward to working with he and his team in the future"* **Jeff Garner- CEO, KCAO**

James Evanow's book *Wisdom From The Sea* takes his many years of maritime experience and translates them into today's business world. As a trainer of Emotional Intelligence, Captain James realized how his experiences and the responsibilities of bringing his men through tight situations really had a direct correlation with many of his clients who are in a position of leadership--such as CEO's, managers, supervisors, and even coaches. This powerful book is a great read and training tool for anyone in a leadership or team building role.
