

CAPTAIN JAMES EVANOW

speaker and author

Wisdom from the Sea is a unique perspective acquired through personal experience, and conveyed through powerful stories of a master storyteller.

Being stuck in thirty-foot seas gives you wisdom and perspective that most will never see. Surviving life and death situations at sea will teach you perseverance, leadership, and empowerment skills.

James Evanow is an engaging speaker and dynamic storyteller. His unique style combines wit and humor to teach Emotional Intelligence, Leadership and Mental Preparedness from a different perspective. He spent 24 years in the maritime business as a captain, with another 15 years as an entrepreneur, in finance, and as a professional speaker. He has become a **Change Navigation Specialist**.

Evanow's trainings help develop and enhance leadership skills, build camaraderie, and promote an atmosphere of empowerment and teamwork—which inspires increased productivity, while enhancing company culture.

PRESENTATION TOPICS

Surviving and Thriving Through the Perfect Storm

Change in business and in life is inevitable. When we are navigating through numerous or sudden changes it can feel like a Perfect Storm.

In this dynamic keynote, James shares examples and techniques that can help people to develop the mental preparedness to survive and even thrive through the Perfect Storm.

"James Evanow is a heartfelt speaker who combines passion for life, personal experience, and quick wit to deliver his message. His words are profound, and his insights into human nature are razor-sharp. I highly recommend James as a speaker for business events. He motivates employees, consultants, and other professionals to achieve their highest level of productivity and creativity."

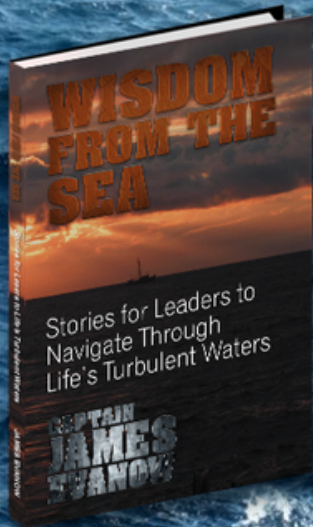

Pat Rarus- Principal Consultant, Marcom Consulting Group

Leading from the Edge

In James' most popular keynote he uses the story of how JFK led his men on the PT-109 through a grueling situation of life and death to portray how perseverance, mental preparedness, and emotional intelligence are essential leadership skills, and how teamwork is vital to any organization.

"James has added great value to our organization, great value to the communities of Kings County, we are definitely blessed to have James in our presence and we look forward to working with he and his team in the future."

Jeff Garner- CEO, KCAO

James Evanow's book *Wisdom from The Sea* takes his many years of maritime experience and translates them into today's business world. As a trainer of Emotional Intelligence, Captain James realized how his experiences and the responsibilities of bringing his men through tight situations had a direct correlation with many of his clients who are in a position of leadership--such as CEO's, managers, supervisors, and even coaches. This powerful book is a great read and training tool for anyone in a leadership or team building role.

LET'S SHARE THE VOYAGE!

James Evanow is an International Speaker and Trainer. He has trained in over 40 cities on Emotional Intelligence and leadership. He helps his clients to communicate persuasively and build trust. James does presentations and trainings in the professional and personal arenas. His teachings are largely based around Emotional Intelligence theory, and he inspires people to develop collaborative skills by enhancing their ability to understand the needs of others and develop mental preparedness. This results in higher productivity, lower turnover rates, stronger relationships, and increased abundance for all involved.
